The Smoky Hill Metropolitan District Board of Directors ("District") desires to permit use of the Clubhouse ("Facility") at 5405 S. Telluride Street, Centennial, Colorado by interested groups and individuals ("Licensee" / "User") based on the terms and conditions within this document.

The Licensee and signed of this agreement desires to make use of the Facility based on the terms and conditions within this document.

**Term:** The use of the Facility is granted to the Licensee during the hours of \_\_\_\_\_ to \_\_\_\_\_ on \_\_\_\_\_ (date) for the purpose of \_\_\_\_\_. Any additional use by the Licensee is subject to additional prior written agreement with the District.

**Consideration:** For such use, the Licensee has paid to the District the sum of \$\_\_\_\_\_ as a refundable deposit, together with a non-refundable usage fee of \$\_\_\_\_\_.

**Warranty:** By signing this document, the Licensee states that he/she is at least twenty-one years of age (21) and will be in attendance during use of the Facility.

**Hours:** The Facility must be reserved at least one week in advance with potential availability between the hours of 7:00 a.m. and 10:00 p.m. Sunday through Saturday, on a first come, first served basis. The Facility may not be scheduled more than one calendar year in advance. Groups that use the Facility year after year will be given seasonal consideration prior to scheduling individual requests provided their requests are received by no later than July 31 of each year. Non-profit groups will be granted reservations based firstly on availability and finally on the percentage of members who are residents of the District. In all cases, Licensee must ensure that the event is closed by no later than 10:00 p.m. (if scheduled until then) and that cleanup is completed, the alarm system is armed, and the Facility is vacated by no later than 10:30 p.m. Licensee must return the facility cardkey to the scheduler within 3 days of the last scheduled use. Licensee is responsible for verifying their schedule once it is posted on the website at: [www.SHMD.info](http://www.SHMD.info) Any errors should be immediately forwarded to the scheduler for correction.

**Cancellation:** This agreement may be cancelled by the Licensee up to 96 hours before the proposed use date. With the District retaining one-half of the usage fee as a cancellation fee. If the Licensee cancels within 96 hours of the proposed usage, then the entire fee will be retained as a cancellation fee. In either instance, cancellation fees may be waived if the reason for cancellation is beyond the control of the Licensee. Cancellations due to inclement weather are subject to rescheduling at a mutually acceptable date and time. Non-profit groups must notify the scheduler of any cancellations 48 hours prior to the scheduled event.

**Fees:** (See attached Schedule A for fees and deposits.) The Licensee agrees that if the District imposes any fees against the deposit, the Licensee must restore the deposit to its original amount prior to their next scheduled event or 30 days, whichever is shorter.

**Alcoholic Beverages:** Alcoholic beverages are not allowed on the premises at any time.

**Drugs and Controlled Substances:** Use of illegal drugs or other controlled substances on or within the District Facilities is strictly prohibited. Evidence of use of illegal drugs or other controlled substances may result in the immediate termination of the Licensee's right to further use the Facility and an imposition of a \$50 termination fee.

**Tabacco and Vape Products:** The use of any tobacco or vape products are not allowed on the premises at any time.

**Animals:** All animals are **PROHIBITED** in the clubhouse, pool, or any SHMD courts. **Except working service animals.**

Costs for any additional cleanup or trash removal which, in the sole discretion of the District is necessary to return the Facility to the condition prior to use, shall be deducted from the deposit amount. If such cleanup costs exceed the amount of the deposit, then the Licensee agrees to reimburse the District for all additional costs over the amount of the deposit.

**Security:** Licensee must sign in and out and record the condition of the Facility on the logbook located in the entryway. Licensee is responsible for closing and locking all doors, windows, gates, and other entrances to the Facility prior to leaving. All lights, ceiling fans, appliances, and water must be turned off (security lights are excepted as they are on 24/7 and cannot be turned off by Licensee). General cleaning such as sweeping, floor mopping, stowage of chairs and tables, and other equipment is the responsibility of the Licensee. Finally, the security alarm system must be armed before the Licensee leaves. Licensee must contact the scheduler immediately in the event the alarm system cannot be armed. Licensee must report any suspicious activity or signs of such activity to the scheduler immediately.

Licensee understands that duplicating the Facility cardkey and/or sharing their keypad code with another person or group is strictly prohibited and will lead to loss of use privileges. Licensee agrees to surrender the cardkey to the Facility upon request and within 7 days of their last scheduled use. Licensee understands that while in possession of a Facility cardkey they must notify the District immediately of any changes to their contact information, as shown on this form, within 7 days of the change. If the cardkey is lost or misplaced, Licensee must report this to the scheduler immediately.

**Conduct of Licensee and Guests:** The Licensee is responsible and solely liable for the conduct of all persons using the Facility in accordance with this agreement. The Licensee agrees that there will be always at least one person twenty-one years of age (21) or older in attendance for each ten persons under the age of twenty-one during use.

Recorded music or the performance of live music, whether by disc jockey or band, shall be restricted to the interior of the Facility, and all windows and doors will remain shut while said music is playing (the Smoky Hill H.O.A. annual Ice Cream Social event is excepted). Such music shall not become a nuisance to residents residing near the Facility. In the case of a dispute as to what is considered a nuisance, the sole discretion of the District, its employees or agents shall be controlling upon the Licensee.

**Repair of Physical Damage:** Any and all physical damage to the Facility, parking lot, or surrounding park resulting from the Licensee's event shall be repaired by the District, with the costs of such repairs being deducted from the deposit. If such repair costs exceed the amount of the deposit, then the Licensee agrees to reimburse the District for all additional costs over the amount of the deposit.

**Termination by the District:** If the District finds it necessary to terminate this License Agreement for reasons beyond its control, the District will make a reasonable attempt to contact the Licensee prior to the scheduled use. It should be noted that the District or the Smoky Hill Homeowners Association may, from time to time, require use of the Facility for an emergency meeting. In such cases, all fees paid by the Licensee for the terminated event shall be returned to the Licensee as soon as possible and the Licensee will be asked to reschedule their event. The Licensee waives any and all claims for damages resulting from such termination.

The District reserves the right to terminate this License Agreement if, in the sole discretion of the District, its agents or employees, the conduct of the Licensee and those using the Facility in accordance with this agreement, becomes unreasonably loud or unruly so as to create a disturbance or threat to the health, safety, and welfare of the community or employees.

**Release, Waiver, and Indemnity:** The Licensee releases the District, its agents, and employees from, and waives all claims for injury (including death) or damage to persons or property sustained by Licensee or by any occupant of the Facility resulting directly or indirectly from any existing or future condition, defect, matter, or thing in or about the Facility or any part of them or from any equipment within the Facility. Licensee further agrees to hold the District, its agents, and employees harmless and to indemnify each of them against claims and liabilities, including reasonable attorney’s fees for injuries to any and all persons and damage to or theft or loss of property occurring in or about the Facility, arising from the Licensee’s use of the Facility or from any breach on the part of the Licensee in performance of the terms and conditions of this agreement.
